

Maximum Weekly Rate Increase for Wisconsin Shares

The Department of Children and Families is adjusting maximum county weekly rates for Wisconsin Shares as follows effective October 6th, 2013.

1. All county/tribal rates will be increased to be within 25% of the 75th percentile. Rates that are currently within 25% of the 75th percentile will not be affected by this change.

The following counties and tribes will see an increase in their rate:

Adams, Clark, Crawford, Dane, Dodge, Grant, Green, Green Lake, Iowa, Jackson, Juneau, Kewaunee, Lafayette, Marquette, Milwaukee, Ozaukee, Pepin, Pierce, Price, Richland, Taylor, Vernon, Waupaca, and Wood counties and the Potawatomi Tribe.

2. Licensed group rates will be increased to be at least equal to licensed family rates, if not already.

The following counties and tribes will see the licensed group rate increased to be at least equal to the licensed family rate:

Adams, Barron, Clark, Eau Claire, Florence, Forest, Iron, Jackson, Jefferson, Lincoln, Ozaukee, Rush, Sauk, and Sawyer counties, and the Lac Courte Oreilles and Sokaogon tribes.

3. Younger age group rates will be increased to be at least equal to older age group rates, if not already.

The following counties and tribes will see the younger age group rate increased to be at least equal to the older age group rate:

Dodge, Dunn, Grant, Green, Jackson, Jefferson, Juneau, Lafayette, Lincoln, Pepin, Sheboygan, Vilas, and Wood counties, and the Lac du Flambeau Tribe.

The new rates will be published at:
